# Application Guidelines & Requirements

- Be a member of Freedom Credit Union in good standing OR be a direct descendant (child or grandchild) of a current member in good standing. Step- and adoptive relationships are accepted. Membership date in any case must be no later than April 1, 2025.
- Graduate from a public or charter high school in the spring of 2025.
- Copy of official high school transcript required for application.
- Plan to attend an accredited public or private college, university, trade school or vocational school full-time within 9-months of graduation. (Deferrals available for up to 2-years for military or volunteer service.)
- Provide a letter of recommendation from a teacher, employer, or leader of an organization with which you have worked. This letter should address your character, work ethic, and likelihood to succeed academically and professionally.
- Provide a written response to the questions/prompts that follow. Responses should be typed and should be long enough to adequately answer the question. Suggested word counts are listed with each prompt but are not requirements.
- Submit a completed application and all required documents by April 20, 2025. All applications will be received via online application.
